

*We don't believe in law as usual
For us, law is inspiring...*

Our story

A number of years ago, we decided that we could change the way legal services are delivered. That we could do them better. At gunnercooke, we believe the potential of our clients and our people rests with our ability to free the law and make it work as it should. Today, we attract passionate lawyers and advise with authority: every gunnercooke lawyer has a minimum 10,000 hours practising experience.

Flexibility, transparency and freedom guide everything we do. Flexibility for our people to work how they want. Transparency of cost for our clients because we removed time recordings and billable hours. Freedom for our people and clients to achieve their personal and professional aspirations.

We work with clients that believe tradition is there to be tested, not obeyed. Working together, we help them seek opportunities and push the boundaries of what's possible.

Providing a suite of corporate and commercial legal services, gunnercooke is one of the UK's fastest-growing challenger brands. Proud of what we have achieved, committed to doing more.

Peter is an experienced insolvency and commercial litigation lawyer, who displays integrity, technical expertise and commercial acumen. Peter regularly acts in a broad range of litigation including professional negligence, intellectual property, shareholder disputes, insolvency litigation and contractual disputes.

Peter also acts frequently in corporate recovery transactions, particularly pre-packaged sales out of Administration. Peter will always look at the commercial objectives of his clients and, where possible, seek to resolve disputes in a way that minimizes the client's costs, risk and management time. Where this is not possible, Peter is more than happy to roll with the punches and conduct litigation with tenacity and aggression.
