

*We don't believe in law as usual
For us, law is inspiring...*

Our story

A number of years ago, we decided that we could change the way legal services are delivered. That we could do them better. At gunnercooke, we believe the potential of our clients and our people rests with our ability to free the law and make it work as it should. Today, we attract passionate lawyers and advise with authority: every gunnercooke lawyer has a minimum 10,000 hours practising experience.

Flexibility, transparency and freedom guide everything we do. Flexibility for our people to work how they want. Transparency of cost for our clients because we removed time recordings and billable hours. Freedom for our people and clients to achieve their personal and professional aspirations.

We work with clients that believe tradition is there to be tested, not obeyed. Working together, we help them seek opportunities and push the boundaries of what's possible.

Providing a suite of corporate and commercial legal services, gunnercooke is one of the UK's fastest-growing challenger brands. Proud of what we have achieved, committed to doing more.

Overview

What she's best at

Sarah has spent the majority of her career advising on large scale infrastructure projects between the public and private sector, in industries as diverse as defence, transport, health and education. More recently, she has also acted on a wide range of commercial and contractual matters including supply, distribution and sponsorship agreements. Sarah is renowned for having a keen eye for detail whilst retaining a pragmatic approach and the ability to focus on client objectives and deadlines.

Who she works for

- Corporate investors
 - Banks and other funders
 - Large corporations
 - Start-up companies
-

Experience highlights

- Acting for Yodel and its sister company Arrow XL in a general overhaul of in-house commercial documentation, policies and procedures.
- Acting for a start-up company in relation to a number of agreements and template documents for the distribution of alcoholic beverages.
- Acted on a number of projects between the public and private sector for the design, construction, operation and financing of major UK hospitals.
- Acted on the construction and financing of Canary Wharf Crossrail station, part of the wider Crossrail project.
- Acted on a multi-billion-pound project for the provision of air to air refuelling infrastructure, aircraft and services to the Ministry of Defence.
